For: **FERROELECTRIC MEMORY DEVICE HAVING FERROELECTRIC  
CAPACITOR AND METHOD OF READING OUT DATA THEREFROM**

The purpose of this communication is to inform you that the above-identified application is being withdrawn from issue pursuant to 37 CFR 1.313.

The application is being withdrawn from issue because the allowance mailed on December 16, 2004 was issued in error.

Patent and Trademark Office records reveal that the issue fee has not been paid. If the issue fee has been submitted, the applicant may request a refund, or may request that the fee be credited to a deposit account. However, applicant may wait until the application is either again found allowable or held abandoned. If the application is allowed, upon receipt of a new Notice of Allowance and Issue Fee Due, applicant may request that the previously submitted issue fee be applied toward payment of the issue fee in the amount identified on the new Notice of Allowance and Issue Fee Due. If the application is abandoned, applicant may request either a refund or a credit to a Deposit Account.

The application is being forwarded to the examiner for action.
